

Happy Halloween!

Jack O' Lantern

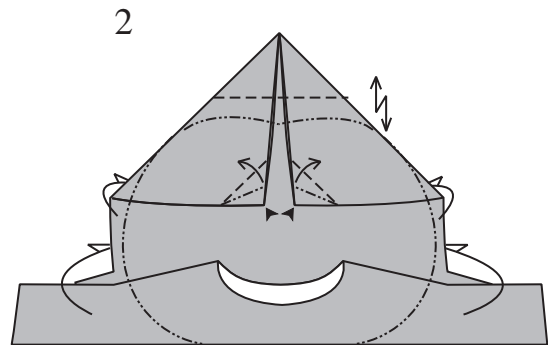

By Jeremy Shafer ©2000

The average American folds thousands of articles of clothing every year, without ever achieving anything recognizable. What a sad waste of folds! Now you can put an end to this mindless folding, with this all new, simple-to-fold T-shirt Jack O' Lantern.

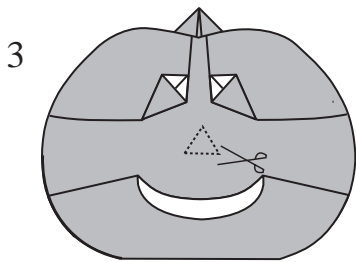

Author's disclaimer: No pumpkins were butchered in the designing, folding or diagramming of this model.

1
Begin with a T-shirt, back side up, upside down, and colored side out. Make the indicated valley folds.

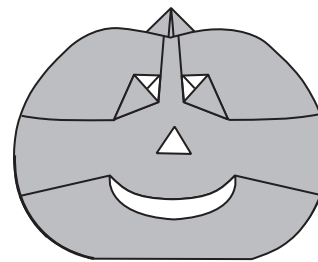

2
Round out the lower half with mountain folds. Pleat at the top to make a stem. Squash-fold the eyes (or if you prefer, "pumpkin-fold").

3
Now for the nose... **CUT** along the dotted lines on the front layer only. Don't hesitate; it's just a shirt!!!
